Past President & Executive Treasurer: Dr Sujeeth Punnam

President Elect: Dr.Surender Sandella

Secretary: Dr.Neelima Katukuri

Immediate Past President: Dr.Narotham Thudi

Dear Sponsor,

On behalf of the Osmania Gandhi Kakatiya and Telangana Medical Alumni Association of America (OGKTMA), I am pleased to announce that our 37th Alumni Convention will be held in September. 13th – 15th, 2024, at Signia by Hilton Orlando Bonnet Creek, 14100 Bonnet Creek Resort Ln, Orlando, FL 32821.

OGKTMA is a non-profit organization (Tax ID: 52-1612092) in existence for more than 35 years and is an association of medical professionals/physicians who are alumni of Osmania Medical College, Gandhi Medical College, Kakatiya Medical Colleges, and other medical colleges domiciled in the state of Telangana, India. We are one of the most prominent and largest Medical Alumni organizations in the United States.

We organize an annual convention for our alumni members to meet and discuss current medical, social as well as cultural issues. We expect over 350 physician alumni members to attend this year's convention. We are planning to have CME and Medical presentations during the day followed by a general body meeting, and banquet/dinner. The medical presentations will include topics including cancer, diabetes, heart, liver diseases, and more. We will be printing a 60-page magazine on this occasion, and this will be distributed to all our 4000+ alumni, it will be catalogued on our website along with the previous souvenirs to be available for posterity.

We invite you to explore a variety of unique sponsor engagement [opportunities available on our Partnership Portal](#). Here you can register, learn about our program, download your invoice – and much more. For your convenience we've provided an invoice and W9 and for additional information please connect with us at ogkmaconvention@gmail.com. We thank you for your kind consideration and look forward to your active support.

Sincerely,

Vinay Katukuri

Vinay Katukuri, MD, FACP.
President, OGKTMA
